“Benny Benack III is quite simply
a force to be reckoned with...”

— *AllAboutJazz*

BENNY BENACK III is taking the jazz world by storm. Named Rising Star Male Vocalist in the 2025 *DownBeat* Readers Poll, and #8 in the Rising Star Trumpeter category in that same poll, he's a dual threat. Whether he's delivering fiery postbop licks à la Freddie Hubbard or channeling Sinatra's charm, Benny is animated by joy. This band will definitely lift your spirits—the perfect kick-off to a new season!

“T.K. Blue exudes armloads of
dexterity and guileless charm...”

— *DownBeat*

Saxophone and flute sensation T.K. BLUE is deeply connected to the African roots of jazz. After working for many years with legendary pianist Randy Weston, T.K. has now assembled original members of Weston's band into the irrepressible African Rhythms Alumni Ensemble. Expect an infectious mix of blues, jazz, West Indian and Latin rhythms, and Gnawa music from Morocco all folded together as “one nation of groove” (Eugene Holley Jr.).

“Aimée's sound is like the fizz in

— *AllAboutJazz*

Grammy-nominated vocalist CYRILLE AIMÉE brings fearless curiosity and a tender heart to a broad spectrum of music. From the Roma music of her childhood to fresh takes on jazz standards, from original approaches to Sondheim songs (Sondheim himself cried as he watched her sing) to sweet-natured compositions of her own, Cyrille is a musical adventurer. Her music is expressive, intimate, compelling—not to be missed!
