Given her lifelong passion for the Great American Songbook, we can expect song after song to be “devastatingly ravishing, in all the best ways” (*Broadway Review*).

“so good he often sounds like two guitarists in a duet”

— *DownBeat*

Master guitarist PETER BERNSTEIN has forged an enviable career path over the past thirty years as a first-call player with a who's-who of jazz luminaries, and as a member of the powerhouse organ trio with Larry Goldings and Bill Stewart. Winnipeg audiences will hear his “feather-light touch, encyclopedic knowledge of chords and ability to play standards like he's inventing them on the spot” (*LA Daily News*) as his quartet closes out another remarkable season.
